Dear Mr Siave*

I thought I would send you a quick email about one of your pupils. This certainly isn't a complaint email but one of respect and kindness.

Open night - Thank you to the pupils and parents that helped out at our Open Night last Thursday evening. We had a wonderful evening lead off by our very polished **kāpahaka** group and **choir**. **Zyon Taukamo** and **Phoebe Ingram** did a great job as comperes for the first part of the evening. Parents and prospective pupils were then free to roam the **displays** in the hall and around the school. Children enjoyed playing on the **trampoline and vaulting** equipment, and doing the technology activities at our **Design Technology display**. Di and Chri from **Ara Code Club** also had activities for children. There was **baking** from our Food classes and a very popular **sausage sizzle** (thanks Mr Walker). The **free barista coffee** from Sue and Graeme Scammell was a real treat. Parents and pupils were impressed with the radio club as they saw our club members **broadcasting live** - a radio was playing in the adjacent room and visitors heard the broadcast first, then were able to see the children in the broadcast room. The uniform display was very informative - thanks **Mainland Uniforms** and our enrolment table had people at it all evening. Trudie from **Kids Club** was there as well. Trudie runs the **Before School, After School & Holiday Programme** from Shirley Intermediate. For information & booking please contact Trudie 021 2378297 or email kidsclub@xtra.co.nz.

People wanting to look at our school for 2018 are welcome to make contact with our school office to arrange a tour of the school.

Ara Code Club - Our children have now had two sessions and the reports from the children are very positive. The Ara team pick our children up from school on Mondays and leave at 3pm. They have an hour long coding session at Ara - with food and drink provided - then they drive each child back home. The evening traffic makes the trip home fairly slow, but they have each other's company for an enjoyable trip. There are always two adults in each van with the children. Again, a big thanks to Di and Chris and the Ara team. (Yes, they can take one or two more enrolments. Contact the school office.

Human Rights - Our Term Three Inquiry focus

Last week we listed the first 5 of the 30 Human Rights in the United Nations Declaration of Human Rights. Rather than list the last 25 here is a plain language summary of the 30 articles:

- Men and women of full age have the right to marry and found a family but only with the free and full consent of both partners.

Flexibuzz - our main communication method

If you have a cellphone and/or computer access to the internet please enrol in **Flexibuzz** (formerly Tiqbiz). This is free for you and is the first method of messages to parents. FlexiBuzz is available in the Android Play Store and Apple App Store for free. (web.flexibuzz.com). (Link is included here for online viewers). We also update Facebook (Please join "Shirley Intermediate School") and our website in emergencies. School closures will usually feature on More FM and Newstalk ZB but relaying information to them in pressured situations can be difficult, therefore our online sources will be most reliable.

Dunedin Trip -

Heathcote Camp 1: Tuesday 28 November to Friday 1 December

Avon Camp 2: Tuesday 5 December - Friday 8 December

As advised earlier in the year, the actual cost of camp is usually subsidised, and we ask parents for around \$250. This year we have not yet achieved the level of funding as in previous years but we are continuing to apply. We will keep you informed about this. Attendance at camp also requires all compulsory school costs to be cleared beforehand (eg. sports fees, activity fee).

Radio Station 106.1FM -

Danika and Dylan are two of our DJs - here they are broadcasting last week. They were talking about Open Night. When Zyon and Alesana were on air they provided weather updates and news of the ski trip. The children broadcast from 8.30am until 8.55am every morning. They will be broadcasting during lunchtimes as soon as we have any children asking to be the DJs. You might be able to pick the station up if you are within 1km of the school. **You heard it here first!**

Lunchonline Hot and cold foods can be ordered for Thursday lunches through Lunchonline www.lunchonline.co.nz. To set up an account select *Shirley Intermediate School*. Orders need to be placed by 8.30am on Thursdays for the Thursday lunchtime delivery.

Healthy Sandwiches can be ordered on Friday mornings at the school office. They are made by our student leaders and delivered for Friday lunch. Only \$2!!
